Product Description

Hydrate And Heal Dry Skin Retail Kit by Zoya was created by the experts to deeply deliver exactly what skin needs before locking it in beneath a fortified lipid barrier resulting in fresher, newer, brighter looking skin instantly!

Products Included (1 each):

-1 x Healing Dry Skin Hand And Body Cream 3oz - This is a light, non greasy, yet powerful and moisture-rich souffle style lotion that delivers moisture to instantly improve the look and feel of dry, rough skin on hands, feet, and the body. Use alone or over hydrating serum to lock in moisture and give hands a younger, smoother, feel. Ideal for long term results.

-1x Hydrating Hand And Body Serum 2oz - This is a targeted formula that contains moisture imparting hyaluronic acid, AHA's, BHA's and powerful antioxidants to instantly improve the visual appearance of the hands and the body. This unique spray serum quickly absorbs and provides long lasting results. Continued use will reduce dryness, increase brightness, and reveal a more even skin tone. Follow with healing hand and body cream to lock in moisture.
