SKU: 82R-RC5913

Product Categories: [Eyelash and Eyebrow Tinting and Perming](#)

Product Page: <https://portz-beauty.com/shop/eyelasheyebrow/refectocil-care-balm-9ml/>

Product Description

Over night vitamins and plant oils strengthen the hair making it healthy, shiny & less brittle. Additionally, castor oil supports natural lash & brow growth.

Simply apply 3-4 times a week before going to bed with our easy-to-use applicator and leave the Care Balm on as an overnight treatment.

Tip: Don't apply the Care Balm within 24 hours after tinting because its high fat content can affect the tinting result.
