Product Description

The Refectocil Eye Care Pads are the ultimate in comfort & elevate your tinting and lifting services for your customers. Not only do the pads provide a protective barrier to the skin - they are infused with deeply hydrating Vitamin E and Hyaluron which aid in skin hydration and smoothness.

Benefits:

- Protect the sensitive skin around the eyes with Aloe Vera & a special gel-like pad
- Hydrate & smooth the skin with an infusion of Vitamin E and Hyaluron
- Store in fridge for added coolness adding to the customer's experience

How to Use: Prepare the eye area with Micellar Eye Make-Up Remover or Saline Solution. The skin should be dry and oil-free. Remove the plastic liners and press pads gently under the eyes, gel side down. Continue with Lash or brow Styling service including lash tinting. Gently remove pads after 20-30 minutes or when service is complete.
