Product Description

3-Way 5-3/4" x 5/8" Cloth Buffer nail files specially designed for professionals or home use. Smooth, buff, and shine surfaces all in one! Create a smooth, high-gloss shine on your natural nails without polish. Also great for polishing small acrylic pieces such as acrylic watch crystals and models.

Product Features

- 3-Way - Easy to use - Leaves high gloss shine on nails - Blends, smoothes and shines all in one buffer - Size: 5-3/4" x 5/8" - Made in USA - Grits: Black 240/White 400/Grey 3000

Instructions

1. Use black (the coarsest) side horizontally on your nail bed to refine it and remove ridges
2. Buff with white side to take out the scratches and create a semi-shine
3. Finish and polish to a high shine with the grey side

Repeat steps 2 and 3 as needed.
