Product Description

Foot Cream Extra by Gehwol helps nurture and strengthen tired feet while deodorizing and disinfecting the skin. It prevents the skin from itching, odor, calluses, cracks, chilblains, and blisters. The natural oils of eucalyptus, rosemary, lavender and thyme invigorate the feet, promote blood flow, and elevate their performance. This product is a cream base made of soap and lanolin which helps soften hardened, dry skin. It also includes menthol, which has a cooling and refreshing effect which deodorizes and disinfects to protect against athlete's foot. Foot cream extra stimulates blood circulation and protects against cold and wet feet.

Active Ingredients: Potassium stearate, lanolin, oil of rosemary, eucalyptus, lavender and thyme, camphor, menthol, triclosan, chloroxylenol
