Product Description

Warming, Invigorate and stimulate. FUSSKRAFT Warming Cream is a warming balm for normal to dry skin. Invigorating camphor, extracts of paprika and ginger as well as essential oils of rosemary and mountain pine stimulate the circulation and impart a pleasant feeling of warmth. Skin-friendly concentrated emollients invigorate dry, cracked skin, making it soft and supple again.

Ingredients: Oil of rosemary, vitamin E + B complex, extract of paprika, bath lotion base, emollients.

Gluten Free Suitable for diabetics Dermatologically tested Paraben-free
