Product Description

GEHWOL Emulsion for Foot Massage for Smooth and Refreshed Skin

GEHWOL Emulsion for Foot Massage features a light and silky texture that forms a smooth film on the skin, enhancing the massaging experience. Infused with natural essential oils like rosemary, lavender, and peppermint, this emulsion refreshes the skin, promotes circulation, and provides long-lasting deodorization for revitalized feet.

The formula includes camphor and menthol for a cooling and rejuvenating sensation, leaving the skin feeling soft and nourished. Dermatologically tested and free from parabens, this vegan-friendly product supports professional and at-home foot care routines.

Ingredients:

Rosemary oil, lavender oil, peppermint oil, camphor, menthol, and water-based emollients.

Usage:

Apply a small amount of emulsion to clean, dry feet. Gently massage into the skin using circular motions, focusing on tired or sore areas. Use as needed for a soothing massage experience.
