Product Description

Herbal Bath by Gehwol helps soften hard skin and calluses. It is effective against rough, brittle, and cracked skin. This bath is also excellent for foot perspiration and odor. The combination of the active ingredients help alleviate and soften many foot problems such as persistent calluses, weals, and corns. Urea maintains the elasticity of the skin and is mildly antiseptic. Any excessive foot perspiration is normalized and odor is eliminated for long lasting freshness.

Massage with a suitable Gehwol Foot Cream afterwards for extra relief!

Active Ingredients: Urea, emollients, camphor, lavender oil, oil of rosemary, oil of mountain pine, oil of thyme
