Product Description

SPECIAL ORDER

Ideal for pedicures and hair removal treatments. With the Capella Cozy hydraulic pedicure chair, your clients will always keep coming back! The improved independent hydraulic pump system provides more stability and allows for a smooth height adjustment.

You can now offer more comfort to your customers and increase your own freedom of movement with the Capella XL treatment chair. This armchair is wider (2in.) and longer (4in.), and lets your customers feel more comfortable during their treatment. For the professional, this means more space to move between the customer and the chair and better ease to perform your treatments. Here is a fantastic solution to add a little extra to your salon!

- Compact mechanism entirely covered with moulded plastic.
- Stable and compact white base offering maximum clearance
- White leatherette and High-density anatomical mattress.
- Tilting, removable and adjustable headrest.
- Supports up to 136kg (300lbs).
- 76 Inches long, 25.5 inches wide
