Product Description

The Solid Cream Gel Palettes nail kit contain a unique solid LED gel with a smooth, buttery and workable texture that gives you complete control while working. Each Cream Gel nail kit palette has six colors in a lightweight, portable case that goes where you go with no spilling and no mess.

The Gelish Cream Gel Palettes give you room to play, embrace your artistry, and create your most gorgeous manicures yet! Our Solid Cream Gel never needs to be stirred and has a high gloss, true color finish. Nail Pros and Consumers alike will love that solid cream gel stays put and only moves when and where you want it to. This innovative new formula ensures there is no cuticle flooding during application and makes nail art easier than ever. The Gelish Cream Gel Palettes are LED cured, with up to 21 days of wear, and soak-off for removal.

Neon & On & On includes:

Purple Neon

Blue Neon

Pink Neon

Yellow Neon

Red Neon
