Product Description

MAR-V-CIDE Clipper Ease Spray disinfectants and lubricates clipper blades in one easy step. Leaves a light lubricating film on clipper blades that reduces friction, smooths the clipping action and prolongs the life of the blade. Disinfects, Cleans, Lubricate, Cools and Prevents Rust. Clipper Ease sprays away hair, dandruff and dust particles, and cools the blade. Designed for use in Barber Shops, Beauty Salons, Pets Salons and Animal Hospitals.
