Product Description

Refectocil Skin Protection Cream is the perfect 2 in 1 product! The cream was developed for the adhesion of RefectoCil Eye protection papers. It protects the skin from stains and simultaneously acts as nourishing eye mask. Ingredients like vitamine E, aloe vera and almond oil nurture the skin while tinting.

Direction Of Use: Apply in the eye-area, to the upper and lower eyelid and to spots that need care. Protects the skin from staining and acts as soothing eye mask.
