Product Description

Zoya in Link can best be described as an electric, kelly green neon. Link comes equipped with the Z-Wide Brush. EasyNeons do not require any special base coat, and dry matte - but can be worn with a top coat to add a high shine finish. We recommend Naked Manicure Ultra Glossy Seal.

Due to the unique matte formulation, color is typically not as long-wearing as traditional nail color.

Please note: Neon pigments may vary slightly from batch to batch. This is a highly pigmented shade. We recommend applying a base coat to prevent potential staining.
