Product Description

Qtica Solid Gold is a therapeutic cuticle oil in solid gel form for mess free, sanitary conditioning of cuticles.

Apply it as a gel and feel it melt into a super oil that soothes, penetrates and nourishes. This revolutionary, patented compound delivers a unique 12-oil blend in a solid, mess-free formula until it touches the hand. The great-smelling, great-feeling oil brings nails to a high-shine buff in seconds and protects against fungus and bacteria with tea tree and citrus oils. New tube and package design are perfectly portable, too. So, make your cuticles happy and say good bye to messy, greasy and unsanitary cuticle oils forever and say hello to Qtica Solid Gold.

Apply daily for maximum moisturizing and pair with Overnight Intense Cuticle Repair Balm for best results.
