Product Categories: [Skin Care](#), [Waxing](#)

Product Page: <https://portz-beauty.com/shop/skin-care/cirepil-jasmin-oil-pre-post-depilatory/>

Product Description

New formula : - Mineral oil: sliding capacity, eliminates wax residues. - Cottonseed oil: softening, emollient, moisturizing. **New jasmine scent, very close to the very appreciated previous jasmine scent** **The + products:** - Hydrating formula approved by clinical test - Enriched with soothing cottonseed oil - Double action: stimulating and softening - Use before and after depilation to soften the skin - Ideal treatment for a massage

Application protocol:

Before waxing, apply 1 to 2 drops on dry and / or cold skin to form a barrier between the wax and the skin.

After waxing, spread to soothe and remove wax residues on the skin.

Can be used for a body massage.

Contraindication :

Do not use on damaged skin.
