Product Description

Essential Cleansing Emulsion With Cucumber by Skeyndor is a cleansing and make-up removing emulsion with vegetable emulsifiers that remove the excess grease and impurities, which accumulate daily in the skin. Particularly recommended for mixed skins that tend to be greasy.
Skin Type: Oily and combination skin
Active Ingredients: Cucumber extract, with purifying cleansing properties
Application:
-Apply morning and night
-Spread a thin layer onto the face and make gentle, circular movements to dissolve the make-up and impurities
-Remove with plenty of water and dry the skin
