Product Description

DESCRIPTION

An essence with an extraordinary texture and a sweet and intense fruity fragrance. Formulated with mineral sea water, natural postbiotic ferments and vitamins. An essential product for phase 3 of the EXPERT CLEANSE PRO double cleansing method: A rebalancing phase that revitalises the skin, evens its appearance and rebalances the flora that protects it. It is suitable for all skin types and is perfect to end your daily hygiene routine.

PRODUCT BENEFITS

- Revitalises the skin
- Evens its appearance
- Rebalances skin flora

SKIN TYPE

All skin types

MODE OF APPLICATION

Apply morning and night after cleansing directly to the face, neck and cleavage with a gentle massage until fully absorbed
