Product Description

#19 Massage Formula by Footlogix is a proven, non-occlusive formula used to complete the pedicure service. Contains enough slip for a massage without occluding the skin. Does not leave a greasy residue. Refreshing scent leaves the skin feeling silky and soft. Alcohol and oil free. Safe for all skin types, including Diabetics. Includes Dermal Infusion Technology (DIT).

Direction Of Use; Apply 2 or 3 pumps per foot/leg as the finishing step for a pedicure. Massage until product is completely absorbed. Contains enough slip for a 5 to 7 minute pampering massage without leaving a greasy residue. May need additional lotion for longer massages.
