Product Description

Algy Sensitive Recovery Face Mask by Skeyndor contains extracts of seven plants chosen specifically for their properties in cosmetic treatments for sensitive skins. It acts with decongesting, anti-inflammatory, epithelium promoting and healing properties. Includes 6 treatments.

Skin Type: Sensitive skins

Active Ingredients: Balsamic plant extract, aloe vera extract, mamaku extract

Application:

- Apply the mask to perfectly cleansed skin
- Put the contents of a sachet of the gel phase and add a sachet of the powder phase in a bowl
- Mix together with a spatula and apply over the skin
- Apply a generous layer over face, neck and chest. Apply a generous layer over face, neck and chest. It is necessary that the layer is thick to improve its occlusive action and for it to be removed easily. Leave to act for about 15 to 20 minutes and remove in one whole piece
