Product Description

Algy Rich Nourishing Face Mask by Skeyndor is an ideal product for restoring the external balance of stressed or neglected skins, and it helps to improve their appearance and elasticity. Includes 6 treatments.

Skin Type: All skin types

Active Ingredients: Proteins from coconut pulp, quick assimilation sugars, essential fatty acids

Application:

- Apply the mask to perfectly cleansed skin
- Put the contents of a sachet of the gel phase and add a sachet of the powder phase in a bowl
- Mix together with a spatula and apply over the skin
- Apply a generous layer over face, neck and chest
- Apply a generous layer over face, neck and chest
- It is necessary that the layer is thick to improve its occlusive action and for it to be removed easily
- Leave to act for about 15 to 20 minutes
- Remove in one whole piece
