Product Description

Skeyndor - Corrective Deep Lines Filler Emulsion 50ml

Combines two filling techniques for fuller and plumper looking skin. It has a lighter texture, perfect for combination skin.

ACTIVE INGREDIENTS

Fast-filling surface tissue substance.

Internal tissue redensifiers.

Pre-synaptic dermolifting peptides with COSMETIC DRONE technology.

Neuro-inhibiting agents.

HOW TO USE

After your usual cleansing, spread a fine layer of product over face and neck and gently aid penetration. While carrying out your application ritual.
