Product Description

Skeyndor - Corrective Expression Lines Filler Eye Contour 15ml

Combination of peptides and active ingredients that relax the appearance of expression lines. For all skin types.

ACTIVE INGREDIENTS

Pre-synaptic dermolifting peptides with COSMETIC DRONE technology.

Post-synaptic dermolifting peptides.

Neuro-inhibiting agents.

Fast-filling surface tissue substance.

HOW TO USE

Apply a light layer of product after your usual cleansing while carrying out a gentle massage from the inside outwards, paying special attention to wrinkles.
