Product Description

Ideal for reducing the appearance of the signs of ageing in the eye area. Formulated with extraordinary plant actives, smooths wrinkles, reduces dark circles and bags under the eyes, and evens skin tone for a more refreshed, rejuvenated look.

Specially formulated to counteract the loss of vital substrate and restore the volume of skin lost through ageing at its deepest layers. The face becomes fuller, smoother and firmer.

SKIN TYPE

Anti-wrinkle treatment suitable for skin with wrinkles and sagging or dull skin lacking in radiance. For mature or prematurely aged eye contour areas.

ACTIVE INGREDIENTS

Liposome-based apple tree stem cells

Centella PRFC*

Jambu extract (promotes cellular cohesion)

Buckwheat (anti-puffiness)

Glacier water (decongestant)

MODE OF APPLICATION

After regular skin cleansing, apply the Eternal Anti-Wrinkle Cream by gently massaging from the centre outwards, concentrating particularly on the area with wrinkles.
