Product Description

MyMask Fresh Sorbet by Skeyndor is a moisturising and reminalising mask with sorbet texture. With moisturising agents, minerals and Norwegian glacial water. This product acts as a hydrating moisturizer for the skin. Take the most of nature in just 5 minutes

Skin Type: All Skin Types

Active Ingredients: Osmoregulator moisturising betaine, Norwegian glacial water, magnesium aspartate, zinc gluconate and copper, natural moisturising factor, malachite extract

Application:

- Apply a generous amount to face and neck with gentle exfoliating movements
- Leave for 5 minutes , remove with a tissue and rinse with water
- We recommend using the product once or twice a week
- Avoid contact with eyes and lips. This product is not edible. Keep out of reach of children
