Product Description

MyMask Fruit Jam by Skeyndor is a renewing mask with a light, gel texture. Contains glycolic acid and plant extracts rich in natural acids (cranberry, sugar cane, orange, lemon, maple, strawberry). This product acts as an acid and abrasive exfoliation (light peeling) for a more even skin tone. Take the most of nature in just 5 minutes.

Skin Type: All Skin Types (Use cautiously on sensitive skin)

Active Ingredients: A cocktail of plant extracts rich in AHA that renovates and illuminates skin (blue berries, sugar cane, orange, lemon, maple) strawberry seeds (1000 microns) with gentle peeling effect, glycolic acid with an effective exfoliating and illuminating capacity

Application:

- Apply a generous amount to face and neck with gentle exfoliating movements
- Leave for 5 minutes , remove with a tissue and rinse with water
- We recommend using the product once or twice a week
- Avoid contact with eyes and lips. This product is not edible. Keep out of reach of children
