Product Description

Skeyndor - Power C+ Antiox Glowing Serum 12.5% 30ml DESCRIPTION

Serum with triple antioxidant action with vitamin C and extract of pomegranate and acai. It acts as a shield against cutaneous photoaging. It provides an intense "light effect" on the face. It enhances the production of collagen and unifies the spots.

SKIN TYPE

For all skin types. Recommended for devitalized skin with lack of light and photo-aging.

ACTIVE INGREDIENTS

Derived from high absorption of vitamin C (12.5%), pomegranate extract (3%), acai extract (2%).

HOW TO USE

Gently extend some drops on clean skin of face and neckline. Do not apply on eyes or mucous membranes. Apply it once a day, preferably at night.
