Product Description

Rich Replenish Mask is a luxurious treatment designed to deeply nourish and restore dry, dehydrated skin. Infused with Sunflower Seed Oil and Glycerin, it provides intense moisture while replenishing the skin's natural oils. Witch Hazel Water soothes and calms, while Chamomile and Lavender Extracts offer additional calming and anti-inflammatory benefits. Vitamin E delivers antioxidant protection, promoting a healthier complexion.

The mask's rich, creamy formula helps to lock in hydration and repair, leaving skin feeling soft, smooth, and revitalised. Ideal for stressed or dull skin, Rich Replenish Mask offers a pampering, restorative experience with every use.
